

April 21st, 2009

Hello Coaches,

It is time to touch base with all those who are thinking of coaching BYFA for the upcoming 2009 season. We are trying to get a jump on putting together the coaches list, so that we can really have a solid start to the year.

First, all of us on the BYFA Board and the parents thank you for a great 2008 season. Your time, commitment, dedication, & passion for the game does not go unnoticed. Coaches are the most lasting impression players & parents have of their BYFA experience.

Thank You!

Having said that, I need to get an idea of where we are on who wants to coach this fall. Please e-mail me the following information.

Are you planning on coaching this year?

At what level do you want to coach? *Flag, Mini's, Minor's, or Major's?*

Do you want to be Head Coach or an Assistant Coach?

Do you have a child playing BYFA and will you want to coach them?

Do you have an assistant in mind? (Do they have a child playing? Do they want to coach them?)

Would you like any help from the BYFYFA Board for the upcoming season?

Your feedback is important , so we can put together a strong team of coaches this year. The BYFA Board is going to emphasize communication more than ever to guarantee a fair & competitive season. Please keep in contact with your league coordinators when there are any questions or concerns.

Thanks to a new board member, Joe Falconer, our website is going to improve & simplify your coaching experience. We are looking forward to showing off the improvements.

In closing, please recommend any other coaches that may be a positive addition to our roster. I will contact them to see if they have any interest. We will let you know of upcoming clinics, camps, etc. as we get that information.

Thank you in advance for your prompt response!

Go BYFA!!

Sincerely,

Phil Kennedy
